Inspection Violations

No violations cited.

Inspection Temperature Observations

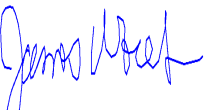

No Temperature Observations

Overall Inspection Comments

EHS arrived for scheduled reinspection to re-open restaurant. Restaurant observed preparing foods on stove after being closed and prior to being approved by the Health Authority. All foods were discarded prior to EHS leaving facility. In addition, restaurant menus observed out of compliance and missing consumer advisory statements. Facility shall remain closed and attend a required meeting with the Health Authority on Tuesday, September 4, 2018 at 9:00am at SNDH 280 S. Decatur Blvd.

While facility is closed, facility shall not open to the public, prepare or cook foods for the restaurant until approved by the Health Authority. Failure to comply and reopen without Health Authority approval will result in restaurant being required to attend hearing for permit revocation from Clark County.
